- Hand strap set
- For Topicon MDT665
- Includes metal plate
- Secure handheld operation

The STR-HAND-00 is a hand strap set for the Topicon MDT665. It consists of a metal plate and a hand strap and improves secure handling of the device during mobile use.

The strap makes the MDT665 easier to carry and hold, especially when it is used frequently or over longer periods.

A practical accessory for users who want to operate their handheld comfortably and securely.

Compatible with: Topicon MDT665, Topicon MDT680
